Re: DBE Certification Confirmation  
Oregon Certification No.:

Dear Ms Kramer:

Congratulations! Your business has met the federal eligibility criteria as established in 49 CFR 23 and 26. Effective the date of this letter, the Certification Office for Business Inclusion and Diversity (COBID) has certified your firm as a DISADVANTAGED BUSINESS ENTERPRISE (DBE). As a COBID Certified Firm, you shall be subject to all Federal and State laws.

Your certification in Oregon begins the date of this letter. Continued certification is contingent upon meeting the requirements of 49 CFR 23 and 26, which includes reporting on a yearly basis. Reporting will occur each year on the anniversary date of your certification.

You are also required to notify COBID within 30 days of any material change in your firm, including changes in ownership, control, operational management, address, or contact information. Submit notification through our online e-application system (<https://oregon4biz.diversitysoftware.com>), via U.S. Mail, or by email to [cobid.web@oregon.gov](mailto:cobid.web@oregon.gov). Notification must include any supporting documentation. Failure to inform COBID of changes or failure to respond to requests for information may result in decertification.

Your Company is now in the Directory of Certified Firms and publicly available at [www.ORcobid.com](http://www.ORcobid.com). We recommend that you regularly view your firm's information in the directory to confirm your contact information is current and that the description and NAICS/NIGP codes listed accurately describe your services and/or products. Your inclusion in our directory is key to vendors and agencies identifying and confirming your certification in Oregon. As long as your firm remains in the directory, you are certified. You will receive future notification regarding yearly reporting requirements.

You may now receive credit on contracts containing COBID Certified inclusion and diversity goals.
